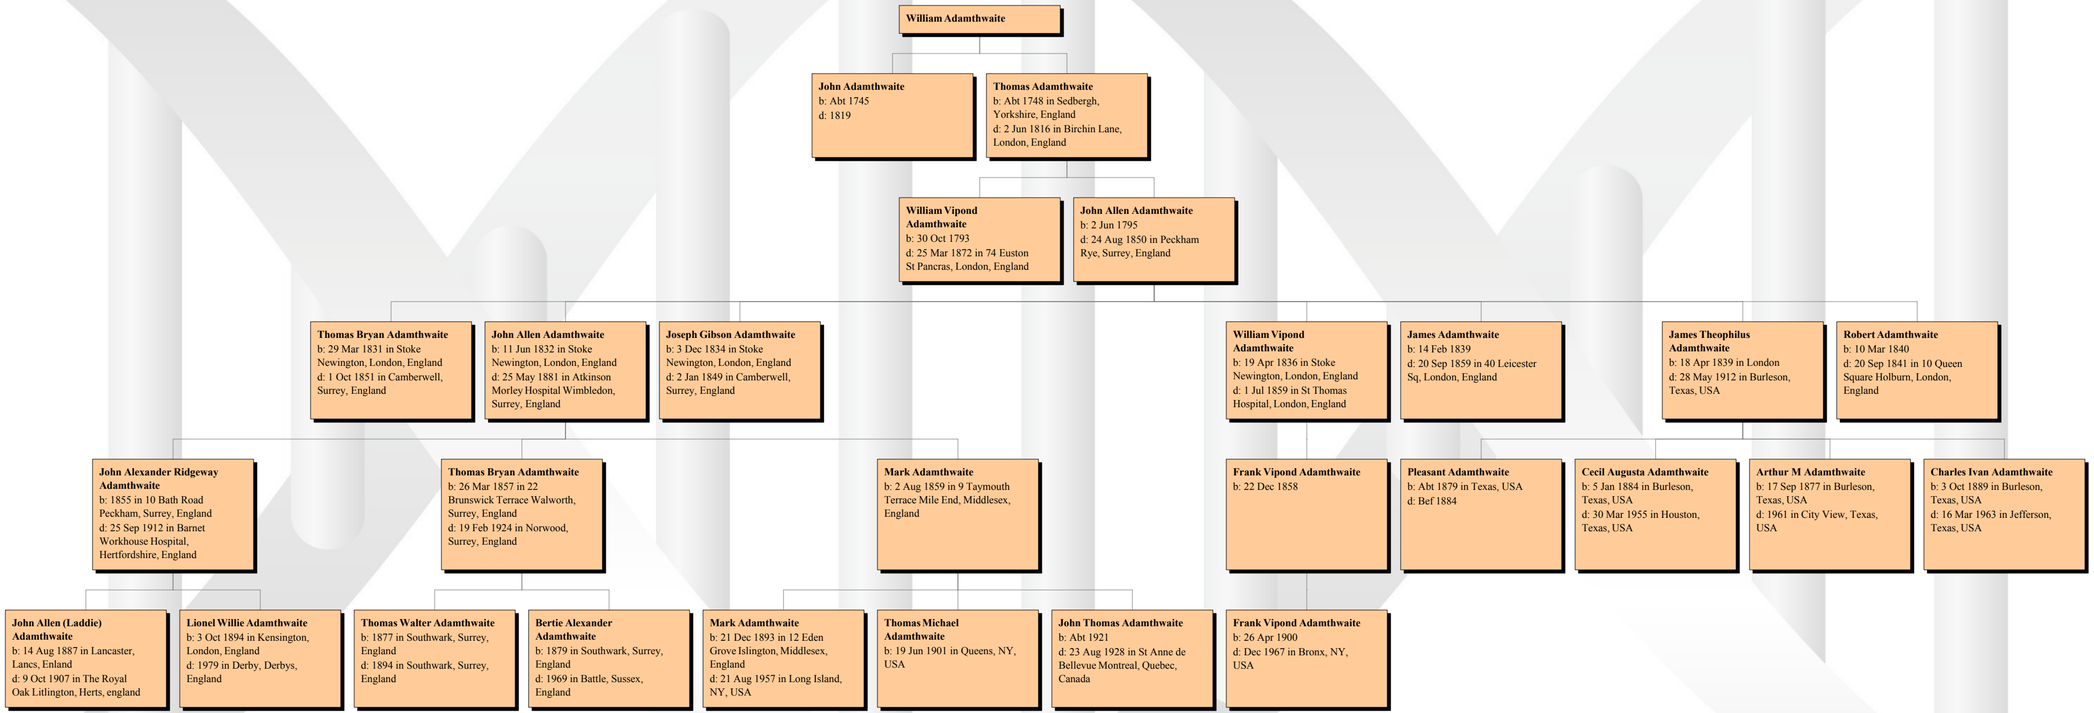
Y-DNA Descendant Carriers Only of William Adamthwaite



ORANGE line 1: descendants of John Allen Adamthwaite and Eliza Saynor (m.1853)

It is possible that there are male Adamthwaite descendants of this line, probably living in USA. If you have any information, please contact us.

ORANGE line 2: descendants of William Vipond Adamthwaite and Elizabeth Johnson, m.1854)

If you would be willing to volunteer to take a DNA test to represent this line, please contact us.
