explanatory notes: an attempt has been made to link all the following deaths to one of the ten family lines shown in the key. Some links are confirmed by documentary proof, others are mere speculation ... all corrections and additions will be welcomed. If you hold documentary evidence of any of the details shown below, I would be most grateful if you could send me brief details.

| line | forename | surname | maiden name/ mother's maiden name | age at death | year of death | pre 1837 - date of death/burial post 1837 - qtr/month | district | county/vol | page | est. year of birth | notes from records - possible identification | source for pre 1837 deaths |
